Cable

## Charging USB cable ECO 3 in 1

Because the cable is composed of a blend of plastic and wheat straw, it is less harmful to the environment than regular plastic straw. The unique color scheme of the product is also a result of straw.

Utilizing Micro USB (Android), USB-C, and Lightning (iPhone) connectors, the ECO cable is a multipurpose charging cable.

There are two distinct shapes for the cable head to match any logo. Additionally, the cable has a ring or clip that makes it simple to attach it to a bag or set of keys. Its compact size makes it perfect for travel.
